

Role Description for Governing Body Members of Atrium Homes

1. Introduction

“The Governing Body leads and directs the RSL to achieve good outcomes for its tenants and other service users.” Regulatory Standards of Governance and Financial Management, Standard 1¹

- 1.1 This role description has been prepared to set out the responsibilities that are associated with being a Governing Body Member (GBM) of Atrium Homes (Atrium). It should be read in conjunction with the accompanying person specification and Atrium Homes’ Articles of Association and Standing Orders.
- 1.2 Atrium Homes is a Registered Social Landlord and a Scottish Charity. The role description reflects the principles of good governance and takes account of (and is compliant with) the expectations of the Regulatory Standards of Governance and Financial Management for Scottish RSLs and relevant guidance produced by the Office of the Scottish Charity Regulator (OSCR).
- 1.3 Atrium encourages people who are interested in the Association’s work to consider seeking election as a GBM and is committed to ensuring broad representation from the communities that it serves. GBMs do not require ‘qualifications’ but, from time to time, we will seek to recruit people with specific skills and experience to add to or expand the existing range of skills and experience available to ensure that the governing body is able to fulfil its purpose. We carry out an annual review of the skills that we have and those that we need to inform our recruitment activities.
- 1.4 This role description applies to all members of the Governing Body, whether elected or co-opted, new or experienced. It is subject to periodic review.

2. Primary Responsibilities

- 2.1 As a GBM your primary responsibilities are, along with the other members of the Governing Body, to
 - Lead and direct Atrium’s work
 - Promote and uphold Atrium’s values
 - Set and monitor standards for service delivery and performance
 - Control Atrium’s affairs and ensure compliance
- 2.2 Responsibility for the operational implementation of Atrium’s strategies and policies is delegated to the Chief Executive.

3. Key Expectations

- 3.1 Atrium has agreed a Code of Conduct for Governing Body Members which every member is required to sign on an annual basis and to which you must adhere. You may not take up a position on the Governing Body unless you have signed the Code of Conduct.
- 3.2 Each GBM must accept and share collective responsibility for the decisions properly taken by the Governing Body. Each GBM is expected to contribute actively and constructively to the work of Atrium. All members are equally responsible in law for the decisions made.
